

We light up your world

5.0MP 360° Panoramic Camera

H308F

Features:

- 3D perspective
- 360° Panoramic Fish Eye Lens, No Blind Spot
- H.265/H.264/MJPEG, Mobile phone, UPNP
- Support TF card/Wireless
- Motion detection
- Support two-way voice intercom
- P2P Cloud Services
- Plug and play
- Remote control
- Infrared night vision
- Inter Audio, Inter WIFI
- Support Multi-user online access
- Power Supply:5V2A

Product details:

Specification:

Video	
Video Compression	H.265/H.264/MJPEG
Day / Night Mode	Color during day, switches to B&W at night
Maximum Frame Rate	12fps@2592*1944
Maximum Streams	3 Simultaneous Streams
Camera	
Image Sensor	1/3"5.0 Mega Pixel Color CMOS sensor
Max. Resolution	2592*1944(5 Megapixels)
Lens	360° fish-eye Lens
ICR Control	Yes

We light up your world

Viewing Angle	360°
Min. Illumination	0.08Lux
PTZ	
Pan/Tilt Range	N/A
Night Vision	
Night Vision Distance	up to 10M/33ft
Illumination	Array LED
Audio	
Audio Input	1 Built-in Microphone
Audio Output	1 Built-in Speaker
Compression	G.711
